Dear Mr. Francis and Club Members:

Thank you for your ***Gift of Compassion*** to Hospice of Iredell County. Your support will make a true difference in the lives of our patients and families who are facing the end of life's journey. Your gift helps our caregiving teams provide comfort, care and compassion at this critical time of life. As well, your gift provides needed support to children and families who are grieving the loss of a loved one.

Hospice of Iredell County's comprehensive and compassionate end-of-life care is available to all in our community, regardless of age, diagnosis or financial ability. With the need growing to care for more and more uninsured and underinsured patients, your support helps ensure that no one in our community will have to face the end of life without the care and support provided by our hospice physician, nurse, nursing assistant, social worker, chaplain, and trained volunteers.

Thank you again for your ***Gift of Compassion***. If you have any questions regarding Hospice services or how your gift is making a difference, please contact me at 704-924-4312.

Warmest Regards,

Patrice Reynolds
Director of Philanthropy
